IC-78-5050

MEMORANDUM FOR: DDCI and DCI

FROM :

[REDACTED]
Deputy to the DCI for
Resource ManagementSUBJECT : DCI Directive 1/12, Intelligence Research
and Development Council

1. (C) Action Requested: That you approve the attached DCID which designates the Intelligence Research and Development Council as a DCI Committee.

2. (C) Background: On 21 February 1978, you approved circulation of the draft DCID to NFIB for comment. All NFIB members have now concurred in the proposal.

The IR&D Council has been chaired by the Under Secretary of Defense for Research and Engineering and has previously been a subcommittee of the CFI and then the PRC(I) under EO 11905. It is the only forum where R&D program managers in the military services and the rest of the intelligence community can meet to frame the best advice to you on how R&D programs can best contribute to the attainment of national intelligence objectives.

3. (C) Recommendation: That you approve the DCID which designates the IR&DC as a DCI Committee.
